

A fun addition to your Forest-themed playground, the Dragonfly links two decks (4' deck height) of your PowerScape play system. Each of the 42" wings are constructed of durable, two-color HDPE plastic and feature four ergonomic handgrips/fooholds. The rotationally-molded plastic body is 18" tall and includes the markings and features of a real dragonfly.

Features and Benefits:

- Creative theming option for PowerScape play systems
- Links two 4' decks with a unique, animal-themed climbing activity
- Encourages imaginative play
- Constructed of durable, low-maintenance materials and backed by the industry's leading warranty
