Designed to meet early childhood standards for creative and imaginative play, GameTime's sand and water table is a playground favorite for children ages 2-5. The durable rotationally molded plastic construction offers ample "beach" areas for sand play and "pond" areas for water play. We mold in "streams" to direct water from one pond to the next so that children can observe...

Features and Benefits:

- A fun way to add creative and imaginative play to your preschool play area
- Separate areas for sand and water
- Available in three different heights
- Optional table cover available (#24011)
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
