

With a modern, artistic design this play system is equal parts climbing adventure and art installation! Orion is a hybrid IONiX-Xscape design with a KidNetix Ropes Course that functionally links the two play areas. It's a climbing and sliding destination that appeals to children ages 5 to 12 who have a sense of adventure and exploration!

### Features and Benefits:

- Provides challenging and adventurous climbing activities for children ages 5 to 12.
- Promotes looping patterns of play to encourage children to play and be active for longer periods of time.
- Constructed of durable, recyclable materials and backed by the industry's leading warranty.

Model: IX17002
