

Arch Swing (Galvanized)

Arch Swing is a fun and accessible way to add sensory-rich swinging play to your playground. This playground swing has a wide saucer-style swing seat with room for up to five children inside or along the perimeter. Children unable to sit upright can lie across the center section to enjoy the to-and-fro motion alone or with friends.

FEATURES AND BENEFITS:

- ❑ Fun and collaborative playground swing for children of all abilities
- ❑ Playground swing seat is constructed of durable roto-plastic materials
- ❑ Provides calming vestibular stimulation for children with sensory processing disorders
- ❑ Transfer height for children using a wheelchair or other mobility device
- ❑ Metal insert at the top of the arch helps protect children from direct sunlight
