

## Floating Boards - Youth

Designed to be both a physical and mental challenge the Floating Boards elevate a user's balance, flexibility & muscle fitness as they climb from one end to the other. Hand and footholds, as well as a wide center opening, give Floating Boards three distinct routes of travel: over, through or along the side. Use as a challenge in your own custom course or pick from one of our pre-configured courses Youth 3000 (13646), Youth 4000 (13647), or Youth 5000 (13648).

## FEATURES AND BENEFITS:

- ❑ Rotomolded plastic boards feature hand/fooholds for users to grip/grasp as they move along the side of the challenge
- ❑ Flat step surface along the top of each board makes it possible for users to climb across the top
- ❑ Wide opening in the center of each board allows users to climb through the center of each board
