

## Wilderslide II with Triple Entrance

---

The Triple Wilderslide II is three times the fun! The triple bedway makes wait times shorter for kids and encourages social interaction during play. The angled run-out and integrated drain reduces pooling of water to reduce maintenance time.

## FEATURES AND BENEFITS:

- Sliding develops core muscle strength and engages the vestibular system
- Provides a smooth transition from slide chute to bedway exit
- Encourages social interaction and imaginary play
