

## Chin-Up Combo

Combination Chin-Up station is designed with unique handgrip curvature to provide multiple degrees of challenge. The combo version is designed to accommodate multiple users at a time and is appropriate for users of different heights. Install alone or with other components on a shared upright to create multiple workout stations in a compact design. Also available as surface mount (#13585S).

## FEATURES AND BENEFITS:

- Handgrip curvature offers multiple grip positions to vary your workout and challenge level
- All-steel design and powder-coated finish is weather-resistant and well-suited for any climate
- Provides an excellent muscle strength workout and enhances upper body strength
