

## Enclosure w/ Thunderring (3D)

Design Features: Installs on any PowerScape 3D system (above deck)

Beautiful HDPE and punched steel configuration

Available in any combination of metal and HDPE colors

Includes ThunderRing attachment Benefits: Provides a stylish look to the standard above-deck barrier

Punched steel and HDPE add a unique and fun tactile experience

Create imaginative and sensory play opportunities with the included ThunderRing Add some sensory and imaginative play to your play system with the PowerScape 3D Enclosure with ThunderRing. As children turn the ThunderRing, objects inside the housing rattle and roll, creating the sound of a rain storm.
