

## Xscape Track Ride

Add the thrill of a favorite overhead motion event that matches the style of your Xscape play system. Twin grip handles are attached to a smooth trolley mechanism inside a pinch-free track. Grip the handle, raise your legs and propel your body forward to glide quickly from one end to the other. It's a fast, fun activity that keeps children lining up for their turn to fly!

## FEATURES AND BENEFITS:

- Promotes upper body strength and enhances balance, coordination and spatial awareness
- Twin grip handles and enclosed trolley mechanism provide a smooth ride
- Matches the style of your Xscape play system
- Durable construction with recyclable materials that are backed by the industry's leading warranty
