

Fusion

The Fusion provides a comfortable seating area and an exciting spinning sensation. It's inclusive, accessible design can be used in a variety of ways allowing children to define their own play experience. Designed at wheelchair transfer height, a child can easily move onto the Fusion. The surface area is spacious enough for several children to sit together, and the wide-rimmed, deep saucer seat provides additional postural support.

FEATURES AND BENEFITS:

- ❑ Wide outer rim can be used as seating space and is at wheelchair transfer height for ease of access
- ❑ Deep saucer area offers comfort and additional postural support for all users
- ❑ Spinning motion for vestibular stimulation
