

Talking Stump

Helloooo in there! Children and adults can play a game of telephone on this auditory playground favorite. Communicate with your friends and family using this visually appealing, hand sculpted talk tube designed to resemble a tree. The talk tubes carry messages from one tree to another to create an exciting social activity with this nature-inspired piece that blends beautifully into your trail or play space!

FEATURES AND BENEFITS:

- ❑ Visually appealing GFRC tree creates durable base for speaking and receiving messages
- ❑ Hand sculpted, tactile surface provides sensory benefits as children explore
- ❑ Realistic GFRC design promotes imaginative play.
- ❑ PVC piping spans up to 30' or 40' allowing trees to be placed in different areas of the playground or play pocket
