

Coral Link

The Coral Climber Link is a fun and challenging climber that connects one section of the play system to another. With routed HDPE grip areas attached to an all metal frame, this durable attachment provides varied routes of travel as children traverse between decks on the play system.

FEATURES AND BENEFITS:

- ❑ Beautiful HDPE panels mimic the look of a coral reef
- ❑ Design blends seamlessly with other PowerScape 3D components
- ❑ Offers many play benefits like problem solving, hand-eye-coordination development and upper/lower body strength development
- ❑ Constructed of durable, low-maintenance materials and backed by the industry's leading warranty
