

Whirlin' Robin

Take a whirl on this Birds Play Pocket favorite! The Whirlin' Robin is designed with soft, curved edges and comfortable seating for children or adults to play together along the trail. The robin egg rocks side-to-side or front-to-back to promote vestibular stimulation and social interaction as children work to rock themselves or others using the built in handholds. The Whirlin' Robin is also ADA compliant for an 18" transfer where accessible routes are provided.

FEATURES AND BENEFITS:

- ❑ Designed with soft, curved edges
- ❑ Comfortable seating for children and adults to promote intergenerational play
- ❑ Promotes vestibular stimulation and social skills as children work together to rock side-to-side or front-to-back
- ❑ Built in drainage prevents water pooling and tamper-resistant hardware provides maintenance ease
- ❑ ADA compliant for 18" transfer if accessible routes are available
