

## The Spider

Experience the exciting world of a spider by climbing up the “silk” and onto and across the spider's back! Heavy duty steel frames support an exciting net climbing surface that allows children to climb up, down or across the spider or use the nets as overhead climber from below. The net also provides a great place to take a break from your arachnid adventure, or gather and socialize with friends and family high above the play pocket.

## FEATURES AND BENEFITS:

- ❑ Net promotes various climbing challenge as children climb up, down or across spider's back or use the nets as overhead climber from below.
- ❑ Heavy duty steel frames direct bolt to nets to support climbing activities
- ❑ Net provides a great place for resting, gathering and socializing with friends.
