

Climber Archway w/ D-Ring (3D)

Design Features: Punched steel and routed HDPE panels add a new dimension of fun to the standard PowerScape Climber Entry Archway

Available in any combination of metal and HDPE colors Benefits: Directs traffic flow in and out of the play system

Provides handholds and grip areas as children enter and exit the climber

Punched steel and HDPE panels add additional tactile feedback and play value The 3D Climber Entry Archway with D-Ring is required for use with the Giant Wave Climber.
