

Corridor - Pro

Corridor enhances balance and flexibility as users maneuver through the challenge by climbing over and/or under each cable from one end to the other. Punched steel and HDPE plastic panels provide a visually appealing style. Included with the 5000 model of the Challenge Course Youth and Pro configurations. Use as a challenge in your own custom course or pick our pre-configured course Pro 5000 (#13644).

FEATURES AND BENEFITS:

- ❑ Provides a balance and flexibility challenge on your Challenge Course Youth or Pro 5000 model
- ❑ Designed to create varied routes of travel as users climb over and/or under the cables
- ❑ Constructed of durable, recyclable materials and backed by the industry's leading warranty
