

Modern Transfer Attachment

Play is a universal right, and GameTime's Modern Transfer Platform and Attachment allows everyone to explore a PowerScape play system. Transfer platforms allow children in mobility devices to play alongside their peers so they can learn and grow through play together.

FEATURES AND BENEFITS:

- ❑ Transfer platforms help break down the barriers to play for those who use a mobility device or are otherwise unable to use stairs
- ❑ Constructed with strong, durable materials; expertly crafted with children in mind
- ❑ Provides a smooth transition from platform to play system
