

## Floating Boards

---

With three distinct routes of travel, over, through, or along the side, Floating Boards enhance balance, flexibility, and whole-body muscle fitness.

## FEATURES AND BENEFITS:

- Rotomolded plastic boards feature hand/fooholds for users to grip/grasp as they move along the side of the challenge
- Flat step surface along the top of each board makes it possible for users to climb across the top
- Wide opening in the center of each board allows users to climb through the center of each board

## SPECIFICATIONS

Model 13801
