

Lateral Pull Down - Accessible

The standard side features an ergonomically-designed seat that is just the right height for transferring to and from a mobility device. The accessible side is designed to accommodate most mobility devices and allows two people to work out at the same time. The accessible Lat Pull Down is an ideal choice for improving arm and shoulder muscle fitness and endurance. Also available in surface mount version (#13272S).

FEATURES AND BENEFITS:

- ❑ Familiar-looking design makes it instantly recognizable to beginner and advanced users
- ❑ Utilizes our exclusive advanced variable resistance mechanism for smooth resistance throughout the range of motion
- ❑ The resistance mechanism is fully enclosed to protect from the elements and eliminates crush and shear hazards
