

## Kinetic Spinner 1 Color Pnl Above Dk

The Kinetic Spinner features two independent plastic discs inside an enclosed transparent panel. Children can spin one or both using the large grip handle at the center of the panel to create fun and interesting patterns as the discs pass one another. Available as a below deck, above deck and freestanding gadget, Kinetic Spinner is a fun, interactive activity that promotes fine and gross motor skills, cognitive development and social play.

## FEATURES AND BENEFITS:

- ❑ Two color discs create alternating patterns and colors when spinning
- ❑ Large grip handles make it easy for children to spin the discs
- ❑ Available as system component or freestanding gadget
- ❑ Constructed of durable, recyclable materials and backed by the industry's leading warranty
