

## Rocket Ship

A modern take on a timeless classic, GameTime's Rocket Ship climber is just the thing to help launch a child's imagination on the playground. The multiple climbing routes and varied materials make it a challenging climber for older children. It features steel and HDPE panels and barriers at the top and plenty of room for multiple space adventurers to explore play together.

## FEATURES AND BENEFITS:

- A classic play activity made new
- Multiple climbing paths to the top of the rocket
- Large observation space at the top for multiple users
