

## Graduated Balance Beam for Kids

Graduated balance beam (named for its graduated width - narrow at one end, wide at the other end) provides a fun, low-cost balance and coordination activity for your playground. Used extensively in [PlayOn!](#) activities, it is an essential freestanding play component for any school or park.

## FEATURES AND BENEFITS:

- Narrow at one end, wide at the other for beginner and intermediate ability
- Constructed of durable steel and available in all standard metal colors
- Essential balance and coordination play element
