

Automotive Race Panel - Below Deck

Promote inclusivity at your playground with GameTime's Automotive Race Panel! This panel is installed below the deck of your play system, allowing even more children to engage with the experience. Children can choose to be either the truck or the car and engage in friendly competition as they race their vehicle from one side of the panel to the other. The possibilities are endless when the race is powered by a child's imagination!

FEATURES AND BENEFITS:

- Designed for PowerScape play systems
- Ground-level installation to promote inclusivity
- Invites children to engage in creative, imaginary play
- Promotes socialization and collaboration
- HDPE construction on panel for long-lasting durability
