

Skill Trainer

The Skill Trainer is designed to help enhance fine motor skills, coordination, flexibility and balance. It provides multiple exercise options, including the Finger Walk and Ring Trace. The Ring Trace includes three different heights (standing, seated on the included Comfort Seat or seated in a mobility device). Users grasp a colored ring and slide it from one side of the bar to the other without allowing the ring to touch the bar.

FEATURES AND BENEFITS:

- A great fitness option for the active aging community to enhance fine motor skills, balance and flexibility
- Ring Trace activity designed for three different height levels
- Includes Comfort Seat for users who prefer to sit during the exercise
- Constructed of durable, recyclable materials and backed by the industry's leading warranty
