

## Wave Zip Slide - 6'

Make the wave all the rave in your play space with GameTime's 6' Wave Zip Slide! The rotationally molded slide features double-wall construction which makes it a durable addition to any play space. The integrated slide hood features a cross bar that provides assistance as users move into a seated position and a peer-through window that allows users to view the bedway prior to sliding. The angled run-out and integrated drain reduce pooling of water to decrease maintenance needs, and small waves in the bedway enhance the sliding experience as children race to the bottom.
