

## Travel Wall - Youth

The Travel Wall encourages both vertical and lateral climbing as users climb up and around the curvature of the wall promoting muscle fitness, agility, balance, coordination & problem-solving. The wall is supported by a steel frame and features several textured panels with rock climbing handholds to provide sturdy stepping surfaces and grip locations. The walls are curved and the handholds are placed various angles and distances.

## FEATURES AND BENEFITS:

- ❑ Versatile challenge that helps promote muscle fitness, agility, balance, coordination, & problem-solving
- ❑ Designed to encourage both vertical and lateral climbing
- ❑ Textured stepping surface with climbing holds to provide a sturdy platform and firm handgrips
