

## Play Port Bridge

A GameTime exclusive, the PlayPort Funnel Bridge is a fun way to connect two sections of a PowerScape play system. The funnel shape lets children look over the rail and down to the playground below and the Play Port in the middle of the span allows the installation of a climber, slide, activity panel or other attachment.

## FEATURES AND BENEFITS:

- ❑ Connects two sections of the play system with a fun, two-deck span
- ❑ Allows a climber, slide or other attachment to be installed along the bridge
- ❑ Choose from any of our standard metal colors
- ❑ Available in standard, 3D or Timbers
- ❑ Available for deck heights of 1'6" - 8'
- ❑ Durable, all-steel construction is backed by industry's best warranty
