

Validate

Validate is an exciting IONiX play system designed for children ages 5-12. This unit features numerous climbers to promote active play. The structure also incorporates a fun slide for additional play value, making Validate an irresistible playground destination for kids.

FEATURES AND BENEFITS:

- Designed to combine the beauty of an outdoor art installation with decades of play research to spark creative play
- Features a unique configuration of play components that create a looping pattern to encourage more activity and longer periods of play
- Includes advanced skill climbers and challenges to appeal to older children
