

Body Curl Station

The Body Curl Station allows a user the opportunity to train their core. The station is constructed of a durable metal and PVC platform with a metal handrail. The user lays on the platform while holding the handrail and can perform a variety of leg lifts and core exercises.

FEATURES AND BENEFITS:

- ❑ Wide, textured PVC platform provides a sure seating area during a workout
- ❑ Combine with other GTFit products to create a fitness space specific to your community
- ❑ Constructed of durable, recyclable materials and backed by the industry's leading warranty
