

Inclusive Orb

Sensory play is important for any play environment and essential when creating an inclusive play area. Inclusive Orb by Inclusive Play[®] is a fun, affordable ground-level activity that's great for children of all ages. The tactile design of the Orb makes it easy to grip and move in all directions. It's mounted on a sturdy spring that keeps the movement going long after you let go! Inside the Orb are ball bearings that rattle for an additional sensory element. Add one or more Inclusive Orbs for ground-level inclusive play anywhere on your playground, or make them part of a sensory play garden in your public spaces.
