

Odyssey Pod w/ Thundering

Odyssey is a pod-shaped enclosure for PrimeTime play systems that gives your playground a unique visual style. The organic shape makes it easy to theme your play space in many ways: jungle, fantasy, undersea, outer space, and more! Odyssey pods attach to PrimeTime play systems like other PrimeTime components, and you can select the panels, slides, and climbers you like to personalize the play structure design. The pod curves inward toward the top and includes metal louver panels that provide shade on the deck below. Available in at 3' (19491) & 4' (19492) Deck Heights

FEATURES AND BENEFITS:

- ❑ Compatible with PrimeTime panels, climbers, and slides
- ❑ Integrated metal louver panels create fun shadows on the deck surface and ground.
- ❑ Integrated ground level activity for additional play value
- ❑ Fun and exciting visual style for PrimeTime play systems
- ❑ Expand theming options using PrimeTime Conversion Deck and PowerScape components
- ❑ Pod-shape design curves inward with louver panels for shade
