

Inclusive Play Pocket

While active play is definitely fun, sometimes you need to take a break, gather your thoughts, meet with friends, and prepare for what's next. Our Inclusive Play Pockets encourage taking restorative moments while exploring Aventus Tower. These fun, cozy spaces are installed along the path to the top of the tower and away from the flow of traffic. They're designed at transfer height to make it easy for people to take a break or

interact with the integrated GT Sensors™.

FEATURES AND BENEFITS:

- ☐ Can be used for a sensory relief area or a gathering spot
- ☐ Compatible with our GT Sensors to encourage sensory exploration
- ☐ Promotes inclusivity on the playground
- ☐ Constructed from heavy-duty materials
