

Connections Bench

The Connections Bench is a versatile, ADA accessible bench that is formed at two different heights. Children can sit on the higher end while an adult sits on the lower end, allowing for a face-to-face and eye-to-eye emotional connection (also known as the scientific principle of attunement). Its fun shape feels at home in any outdoor environment.

FEATURES AND BENEFITS:

- ADA accessible
- Allows adult and child to converse face-to-face and eye-to-eye
- Fun design compliments any outdoor environment
- Constructed from durable materials and backed by the industry's leading warranty
