

Push Up Station

Our push-up stations are affordable options to provide muscle fitness workouts in your outdoor fitness space. The Push-Up High station can be combined with other muscle fitness products on a common support post to maximize your space and provide multiple workouts at a single station.

FEATURES AND BENEFITS:

- ❑ Strengthens the triceps, pectoral muscles, and shoulders
- ❑ Elevated design helps beginners perform push-ups
- ❑ Constructed of durable materials and backed by the industry's leading warranty
