

Discover Cave with Primary Grips

The Discover Cave is a fun freestanding event for children ages 2-5. Children can climb up and over the outside of the cave, or crawl in and through it. Inside there are tactile elements molded into the sides of the cave for discovery and exploration. Available with Natural Rock hand grips (#5053) or Primary Color hand grips (#5052).

FEATURES AND BENEFITS:

- Promotes climbing play in preschool children
- Molded-in tactile animals and other elements for added discovery
- Durable plastic construction withstands the elements and is perfect for outdoor preschool play environments
