

Tire Swing Add-A-Bay

A modern take on a playground classic, our tire swing add-a-bay is constructed of molded plastic, so there's no messy residue like the tire swings of old. It's large enough for up to three users (ages 2-5 or 5-12) and it attaches to a PowerScape swing frame with a 360° mount so children can swing and spin in every direction. Includes mounting hardware, PowerScape swing frame sold separately.

FEATURES AND BENEFITS:

- ☐ Promotes social interaction and processing sensory information
- ☐ Increases spatial awareness and helps develop gross and fine motor skills
- ☐ Enhances core strength
