

Elevated Sand Box

Elevated Sand Box is an inclusive activity for children to exercise their creativity and curiosity. The sand box is raised at a level so that children in mobility devices can play alongside their peers. It's a great way to add an inclusive take on a childhood favorite to any playground.

FEATURES AND BENEFITS:

- Inclusive, accessible design that allows all children to play alongside each other
- Encourages exploration and curiosity
- Adds character and theming to the playground
- A great way for parents to engage with children
