

Shadow Tree 3D Single - 0'-6" - 7'0"

Design Features: HDPE panels and punched steel design create a fun, 3-dimensional look

Curved upright extensions attach to the roof panels to mimic the look of a tree canopy

Available in any combination of metal and HDPE colors Benefits: Create pockets of louvered-style shade throughout the play structure

Enhance the look of your play system while providing protection from the sun's rays

Exciting new roof configuration for our PowerScape 3D systems. Punched steel and HDPE plastic create fun shadows on the ground as the sun passes through. Adds height and style to any PowerScape 3D system and provides louvered-style protection from the sun's rays, creating a more comfortable play space. Designed for a single upright.
