

## Splash Climber

The Splash Climber is a fun addition to any PowerScape play system and perfect for an Ocean-themed playground with its water ripple appearance. The smooth, rounded edges of the HDPE plastic panels offer plenty of grasp areas and the routed “ripples” provide plenty of traction underfoot. The multi-section, multi-level design creates a unique climbing experience for children ages 5-12. Available at 3' thru 4'-6" (91275) and 5' thru 7' (91276)

## FEATURES AND BENEFITS:

- Provides a wide range of benefits related to climbing, including enhanced hand-eye coordination, decision-making and core body strength
- Routed HDPE plastic panels have a water ripple appearance that provide visual interest for themed play areas, as well as traction for climbing
- Available for deck heights of 3'-4'6"
- Lower panel measures 27" wide and 46" long, middle panel measures 26" wide and 38" long, upper panel measures 25" wide and 21" long
- Constructed of durable, low-maintenance materials and backed by the industry's leading warranty
