

RockScape™ Circle Stepper

With angled flat and circle steps that go down one side and up the other, the Circle Stepper creates a challenging climbing experience that enhances balance, coordination and decision-making skills.

FEATURES AND BENEFITS:

- Helps children develop balance and coordination skills
- Alternating angles and step types create a fun and challenging route of travel
- Can be used as part of a RockScape climbing area or as a link on a PowerScape play system
- Includes metal climber, center upright support, handrail and all necessary installation hardware
