

## Walk the Plank

---

Walk the Plank is a "plank" that wobbles when stepped on, making this a fun way for children to learn balance and coordination. It can also be used as a functional link between two pieces of equipment.

## FEATURES AND BENEFITS:

- Wider than most "planks," making this a great way for children to work on balance and coordination
- Can be a unique, fun functional link between two pieces of equipment
- Encourages imaginary play
