

## 3D Accessible Ramp Link

**Benefits:** Adds an accessible method of exploration from one section of the play system to another. Add accessibility for mobility devices with this 3D version of our PowerScape Ramp Attachment. For use when transitioning from one section of the play structure to another. HDPE panels and punched steel design matches other PowerScape 3D components. Meets DOJ (Department of Justice) 2010 standard for accessible design. Available at 1'-6" & 2' (91049), 2'-6" & 3' (91056), 3'-6" & 4' (91057), 4'-6" & 5' (91058), 5'-6" & 6' (91059), 6'-6" & 7' (91060), 7'-6" & 8' (91061).

## FEATURES AND BENEFITS:

- HDPE and punched steel design create a fun, 3-dimensional look
- Handrails provide additional support for people walking with or without mobility devices
