

Play On! Sign

Play On! Play Systems are designed to encourage children to be more active during play and to provide teachers and parents with the tools to create a standards-based approach to physical fitness on the playground. The Play On! freestanding sign lists the six types of play and provides examples of how to use the playground to be more physically active. Play On! Sign Features: - Sign frame is constructed of durable, galvanized steel and is available in any of our metal colors - Information printed on both sides of sign - Six types of play are listed on the sign with examples of games and activities to help children be more active
