

## Fossil Find Sand Table

Discovery is one of the most important facets of play. Our Fossil Find Sand Table creates opportunities for children to embark on their own archaeological dig and discover beautifully-detailed dinosaur fossils beneath the sand. Simply add sand to the TuffCrete table with sand watch children can sift and dig to uncover and discover what lies beneath. It's a perfect addition to a nature-themed play system or a PlayTrails play pocket. Accessible on all sides to children and adults in mobility devices.

## FEATURES AND BENEFITS:

- Durable TuffCrete construction is hand sculpted and painted for exquisite detail inside and out
- Freestanding, accessible play activity that promotes cooperative, social and imaginative play
- Innovative drain system prevents water from standing in the sand table
- Sand not included

## SPECIFICATIONS
