

Fire Truck Spring Rider

Fire Truck Spring Rider is a fun motion activity for children ages 2-5 to enjoy. Movement occurs through tilting back and forth while seated on the truck. The body is constructed of HDPE plastic and features a thick steel handlebar to hold onto for support while riding. It's an easy way to add character and theming to any playground.

FEATURES AND BENEFITS:

- ☐ Adds character and theming to any playground
- ☐ Promotes social interaction and processing sensory information
- ☐ Enhances core strength
- ☐ Includes bars to hold onto while in motion
