

## Olympus Climber - Freestanding

The freestanding Olympus Climber can be used in conjunction with one another to create a climbing wall unique to your playground. Use a few or many to design a climbing experience that is truly one of a kind! See gallery for available styles: #5185 (orange), #5186 (blue) and #5187 (green).

## FEATURES AND BENEFITS:

- Natural colored handholds and additional cut outs are sized and spaced for age appropriate climbing.
- Modular Design allows for nearly endless climbing options.
- Design allows children to develop their own individual climbing path each time they play.
