

Frog Climber

Hop into fun along the trail with this “ribbiting” climbing event! Heavy duty steel frames support an exciting net climbing surface that allows children to climb up or down the frog's back or tongue. The frog feet also provide a great place to take a break from your amphibian adventure, or gather and socialize with friends.

FEATURES AND BENEFITS:

- ❑ Frog back and tongue nets create various levels of climbing challenge
- ❑ Heavy duty steel frames support climbing activities
- ❑ Frog feet and back provide a great place for resting, gathering and socializing with friends
- ❑ Frog frame available in all metal color options, net body available only in green, net tongue available only in red
