

## Sun Blossom 2 Color Gadg Pnl Abov Dk

The Sun Blossom panel is a fun, interactive play event for PowerScape play systems that installs at ground level for accessible fun. Children turn the easy to grip handle on each side to rotate two different enclosed discs (one red, one yellow). As the discs pass one another, they create interesting patterns and color combinations. As light passes through the panel, the ground beneath is bathed in rich hues of light and color. Available as Single (90738) & Double (90736)

## FEATURES AND BENEFITS:

- ❑ Large, easy to grip handle for young children or children with fine motor skill challenges
- ❑ Two-sided activity promotes social, interactive and cooperative play
- ❑ Rotating discs encourage creative play and provide an element of learning and discovery about light and color
- ❑ Constructed of durable materials and backed by the industry's leading warranty
