

Wheelchair Accessible Picnic Table

Enjoy a picnic in the park with GameTime's Aluminum Picnic Table! Choose from two options: an unpainted aluminum (product number: 1308) or painted aluminum (product number: P1308). The picnic table blends seamlessly into your recreation environment and offers a heavy duty steel frame. A durable amenity for any space, the famous "walk-in" design provides convenient access that eliminates the need for stepping over or straddling supports. The table top exceeds ADA compliance standards by offering 22" of clearance beyond the bench seats for mobility device accessibility. The table is available for portable mounting. Design Features:

- 1-5/8" galvanized pipe frame
- 11-gauge galvanized steel table angle bracket

- 1-5/16" galvanized pipe diagonal brace
- 14-gauge anodized aluminum seat and top extrusion
- Anodized aluminum end caps - available in a galvanized or powder coat finish
- High quality, durable hardware
- Available for portable mounting
- Walk-in design - extended table top provides access for mobility devices

Benefits: GameTime's Aluminum Picnic Table provides a convenient "walk-in" design that eliminates the need to step over supports, and the extended table top provides accessibility for mobility devices.
