

## Freestanding X-Pod Step

The X-Pod Step was designed to provide a step-up to an Xscape play structure, but it's also a great place to sit and rest during play. Install a collection X-Pods in a row to create an elevated "stepping stone" path through the play area or use them as climbers for younger children.

## FEATURES AND BENEFITS:

- ❑ Multi-use event that promotes both social and active play
- ❑ Just the right height for young children to climb up or sit down
- ❑ Can be added in sets to create a larger seating area or an early childhood challenge/obstacle course
- ❑ Rubber-topped surface helps prevent slipping
